

## San Luis Obispo Chamber of Commerce *Guideline and Rules for Mixer Hosts*

Thank you for hosting a mixer for the San Luis Obispo Chamber of Commerce and our members. To help make your planning go smoothly, below are some guidelines we ask you to abide by.

These guidelines were created by the Board of Directors to help you plan a successful mixer. Mixers give the host an opportunity to showcase their business to all members of the Chamber. Please take a moment to read through the list provided. Contact Member Services at 786-2766 or 786-2774 or [membership@slochamber.org](mailto:membership@slochamber.org) with any questions.

### I. Host Responsibilities: You are expected to provide (at your expense):

- A. A facility large enough to legally and comfortably accommodate 200-250 people. The occupancy number must meet local fire regulations. **It is mandatory that you contact Roger Maggio, Fire Marshall at 781-7380 at least eight weeks before your event to ensure your facility is up to code.** Should you need to move to the outdoors, a tent is recommended.
- B. Caterers and all other vendors including wineries, raffle prizes, etc., **MUST** be Chamber members. Please review our website for caterers, restaurants, grocery stores and all other vendors at: [www.slochamber.org/Member Services/](http://www.slochamber.org/Member%20Services/) Member Directory. Please do not ask for donations for food/beverages (we want to be actively supporting our fellow chamber members) or to have co-hosts unless you check in advance with SLO Chamber staff.
- C. At least one type of non-alcoholic beverage as well as wine, beer and appetizers for 200-250 people (keep in mind that many people are vegetarian so please try and provide a few selections). We ask that you not use pre-packaged, individual plastic bottles of water. Approximate cost for hosting a mixer is \$1500 to \$2000.
- D. One 6 or 8 ft. table at the entrance for membership sign-in & a small trash can. The SLO Chamber team will provide the table cloth and welcome supplies/name tags for guests.
- E. It is great to have ample parking available and provide signs or personnel to direct parking, if necessary. Downtown locations allow for some exceptions, please ask if you have a concern about this, we don't want it to be a deterrent from hosting.
- F. Comprehensive public liability insurance and a certificate of insurance listing the San Luis Obispo Chamber of Commerce as additional insured.
- G. At least one "door prize" (but please no more than 3) to be raffled off to mixer guests that have their business card drawn from the container at the check-in table;

approximate value should be no less than \$50.

## **V. Other Information**

- A. Tours of your facility are optional and shouldn't take more than ten (10) minutes. You might want to have sign up sheets with designated times for tours.
