

Is your business ready?

Small Business Disaster Preparedness Business Continuity Workshop

Tuesday, June 18th | 8:30am – 12:00pm | The Kinney, 1800 Monterey St, San Luis Obispo, CA 93401

Disasters don't plan ahead, but you can. Protect your business today.

Business owners will learn how to ensure business continuity after a disaster by preparing BEFORE a disaster strikes. Participants will receive valuable planning tips, tools and resources to help their small businesses rebound quickly in the event of a disaster. A planning toolkit and light breakfast are included for the \$25 registration fee.

Register for \$25 here:

Contact info@mcsCorp.org or call (805) 595-1357 for more information.

Our Speakers

Jeff Buckingham

President/CCO, Digital West

Jeff Buckingham has been a San Luis Obispo County community leader in the telecommunications industry since the 1980's. His company, Digital West, works with local businesses to design and implement backups, redundancy and strategic plans to ensure businesses minimize costly downtime. Jeff will share what business owners need to do today to ensure their critical digital and communication operations avoid or survive a disaster tomorrow.

Hamid Razavi
