OUR VALUES

ASK WHAT'S POSSIBLE

We listen, stay open and challenge ourselves to ask if there is a better way.

RISE ABOVE SELF-INTEREST

We look beyond ourselves to make long-range decisions we believe are in the best interest of our community.

TARGET AMAZING

We are committed to excellence, continuous improvement and driving positive change.

BUILD RELATIONSHIPS

We bring people together to cultivate a sense of connection and belonging.

CONNECT DIVERSE PERSPECTIVES

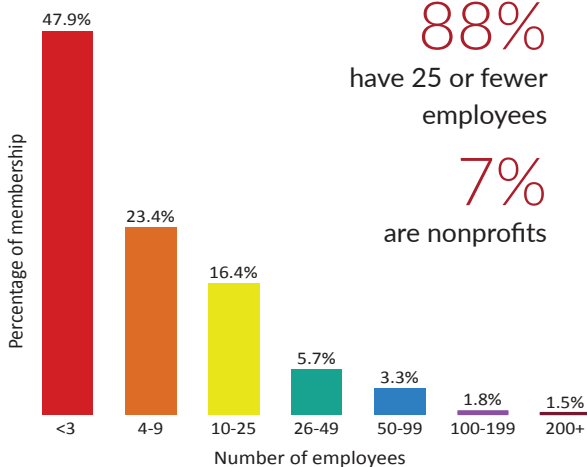

We believe diversity and depth of thought lead to better outcomes.

GRIT TO ACHIEVE WHAT WE BELIEVE IN

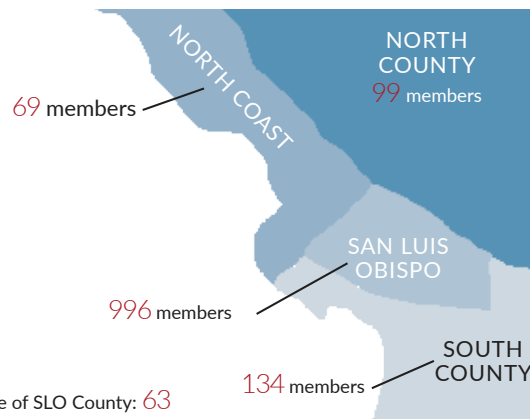

We aren't afraid to make tough choices and put in the work for the things we believe in.

OH, & WE LIKE TO HAVE FUN

OUR MEMBERS

LOCATED THROUGHOUT SAN LUIS OBISPO COUNTY

IMAGINESLO

This past year, we advocated at the state, regional and local levels on more than **16 issues**, attended **97 hours** of public meetings and spent **100 hours** with elected officials and staff on your behalf

Our economic vision has seven interconnected themes that paint the picture of a vibrant future for San Luis Obispo. Discover more about these themes and the work we are doing to bring this vision to life at ImagineSLO.com.

- WE BEFORE ME ●
- DOERS + DREAMERS ●
- EMPOWERING INNOVATION ●
- LOVE OF PLACE ●
- LIFELONG LEARNING ●
- CREATING CONNECTION ●
- ENVIRONMENTAL STEWARDSHIP ●

Vision in Action

This vision lays out where we want to go, and we put in the hard work to get there.

Championed streamlined and simplified regulations in the City of SLO's sign ordinance and the Countrywide polystyrene ban

Convened businesses, nonprofits and government stakeholders to better understand the childcare crisis in SLO

Advocated for safety, efficiency and stewardship considerations in the decommissioning of the Diablo Canyon Power Plant

Encouraged coordination between cities and the County as they plan for affordable housing and infrastructure throughout the region

Supported the implementation of Monterey Bay Community Power throughout our region, empowering customers to choose how their energy dollars are spent
