

SECTION 9. BUILDING, DEVELOPMENT & CONSTRUCTION

In addition to the measures listed in Section 1 All Businesses, additional measures have been identified for specific industry sectors and specific business types. Employers within this Industry should implement the following additional measures:

A. Training: No additional measures. See Section 1.

B. Signage: No additional measures. See Section 1.

C. Measures to Protect Employee Health:

- i. In addition to normal PPE that is worn by employees, evaluate the use of face coverings for all employees where air flow is limited, physical distancing is difficult, or risk of transmission is increased due to materials being used. Before requiring face coverings, ensure they meet applicable safety guidelines.
- ii. Limit use of office trailers on job sites by multiple trades or teams (e.g., restrict to construction management team).
- iii. Provide workers with materials needed to regularly wash their hands (soap, water, single-use towels).
- iv. Provide single serve bottles of drinking water / discontinue use of bulk water dispensers.
- v. Sanitize portable restrooms at least once daily.

D. Measures to Prevent Crowds from Gathering / Encourage Physical Distancing:

- i. Coordinate on-site scheduled work so that trades/teams can maintain physical distance.

E. Measures to Prevent Unnecessary Hand Contact / Increase Sanitization / Disinfection:

- i. Sanitize shared equipment, tools and other materials after use, to ensure next user is protected.

F. Additional Measures to Protect Health:

- i. Consider special services for immune-compromised and other vulnerable populations.
