  2. Provide portable hand sanitizing stations, preferably touchless.
- iii. Eucharist/Communion: Use no-interaction approaches such as placing a wafer/host in a small plastic cup or small paper candy/muffin type cup/tin and passing to the recipient via a tray on a pole or basket with a pole.
- iv. Collection of Donations/Money: Use no-interaction approaches such as having parishioners place gifts/tithes/donations in a basket with a pole through a vehicle and/or drop in a basket upon leaving the service. For example, have a basket/box on a table that worshippers can leave money in as they leave the service. Any person that is responsible for retrieving the donations should immediately wash their hands after handling.
