

SECTION 6. MANUFACTURING

In addition to the measures listed in Section 1 All Businesses, additional measures have been identified for specific industry sectors and specific business types. Employers within this Industry should implement the following additional measures:

A. Training: No additional measures. See Section 1.

B. Signage: No additional measures. See Section 1.

C. Measures to Protect Employee Health:

- i. In addition to normal PPE that is worn by employees, offer face coverings for all employees where air flow is limited, physical distancing is difficult, or risk of transmission is increased due to materials being used. Before requiring face coverings, ensure they meet applicable safety guidelines.

D. Measures to Prevent Crowds from Gathering / Encourage Physical Distancing: No additional measures. See Section 1.

E. Measures to Prevent Unnecessary Hand Contact / Increase Sanitization / Disinfection: No additional measures. See Section 1.

F. Additional Measures to Protect Health:

- i. Offer special services for immune-compromised and other vulnerable populations.
- ii. Evaluate the use of smooth and easily cleanable barriers if employees work side by side without at least a six-foot separation in assembly line type manufacturing operations.
