

## SECTION 5. RETAIL STORES

In addition to the measures listed in Section 1 All Businesses, additional measures have been identified for specific industry sectors and specific business types. Employers within this Industry should implement the following additional measures:

**A. Training:** No additional measures. See Section 1.

**B. Signage:** No additional measures. See Section 1.

**C. Measures to Protect Employee Health:** No additional measures. See Section 1.

**D. Measures to Prevent Crowds from Gathering / Encourage Physical Distancing:**

- i. Assign an employee to monitor that the maximum number of customers in the facility is not exceeded.

**E. Measures to Prevent Unnecessary Hand Contact / Increase Sanitization / Disinfection:**

<<To be determined, e.g. best practices related to on trying on clothes, clothing returns, is still pending>>

**F. Additional Measures to Protect Health:**

- i. Offer special hours or appointments for immuno-compromised and other vulnerable populations.
- ii. Clean and sanitize dressing rooms daily, or at least twice per day if there is high use.
